

The **Collinsville Chorale** is a not-for-profit corporation that operates solely through annual contributions and free-will donations taken at concerts from friends like you. The money we receive goes toward purchasing equipment and insurance, compensating directors, accompanists and guest artists, renting space when necessary and paying babysitters during rehearsals.

If you would like to support the Chorale in a more formal manner, please complete this form. If you would like to designate your gift in honor or memory of someone, please note that on the form. Your name will appear in subsequent concert programs under the appropriate category unless you prefer to be listed anonymously.

Thank you for your interest and continued support.
